

As we have been able to get through the teaching topics in spelling, we will be revising much of what we have learned over the next few weeks.

This week's focus is:

# WORD ENDINGS

Your revision instructions are on the next page.

Thursday 4th March 2021

Let's practice...

**Your task for today:**

If you have the title 'Word endings - ance, ancy, ence, ency' on pages 80-81 of your CGP book, complete that task.

If you **do not** have this title, you have a different book. Please turn to pages 78-79 to complete the 'Suffixes - ation and ous' activity.

**REMEMBER TO SEND IN A PICTURE OF YOUR WORK!**
